

WHY CREATE A LIVING LEGACY?

You want Hospice of Frederick County to always be there for generations to come.

Your gift of life insurance, real estate, stocks, or other type of gift in trust creates a permanent, personal legacy that will enable Hospice of Frederick County to continue the mission of caring for all who need us, regardless of their ability to pay.

You want to make a gift that reflects your lifelong values and aspirations.

A carefully planned gift has the power to create a legacy that will touch the lives of future generations of patients and caregivers. Making a legacy gift will enable you to touch the lives of real people, right here in Frederick for years to come.

You want to make the kind of gift that benefits your community while allowing you to plan for your own future and that of your loved ones.

In addition to benefiting community hospice care, a charitable gift to Hospice of Frederick County can provide current income benefits and significantly reduce estate taxes. Other tax advantages may apply.

Hospice of Frederick County has grown in size and scope with its compassionate end-of-life care. We are continually expanding our no-cost bereavement program with educational support groups, workshops, a grief camp for children, and of course, our Kline Hospice House which offers a home-like environment with 24-hour caregivers. Our focus remains unchanged: to honor each person's journey through illness or grief with dignified care, compassionate support, and gentle guidance.

Charitable support has been, and always will be, vital to assuring that anyone in our community, regardless of ability to pay, can receive hospice services.

Thank you for your support.

AN INVITATION

We invite you to join the many friends of Hospice of Frederick County who have created a personal legacy by pledging their support. Their planned gifts are helping Hospice achieve its mission to promote quality of life by providing medical, emotional, spiritual, and bereavement support to individuals and their loved ones facing a life-limiting illness.

As the hospice care provider in our community, Hospice of Frederick County is committed to making an individual's remaining time as peaceful and pain-free as possible while at the same time supporting those they love. Your gift—in combination with others like it—helps provide the critical funds needed to support our extensive bereavement program offered free to *anyone* in Frederick County. Those funds are used, as well, to offset the non-reimbursable expenses at our Kline Hospice House.

Through a planned gift, you partner with Hospice of Frederick County to assure that its commitment to care for anyone, regardless of ability to pay, remains a reality for generations to come. Thank you for taking the time to explore the benefits of a planned gift.

For more information on the Living Legacy program, please contact the Hospice development office at 240-566-3036.

“We will always continue to support Hospice. During the most difficult time of life, Hospice is a wonderful source of comfort for all.

This organization truly makes an unbelievable difference in the way the end of a life should be handled—with love and dignity. The generous spirit of the volunteers and staff are something very special...just a remarkable thing.”

– Steve and PJ Barger
